Covid-19 and Cyber Sanskar Special Report

collcom
Empowering Youth through Community Service

Procedures for Self-Quarantine under Covid-19

Self-quarantine is recommended for individuals who have been directly exposed to the new Coronavirus or have history of travel in infected or heavily populated areas.

Source: Designed by Jay Shrivastava in the Collcom Canvas session

Stay at home. Limit all your non-essential travels. Unless you're going out for food, medicine or other essentials.	Wash your hands. Practice good hand hygiene by washing your hands with soap and water or using alcohol or hand sanitizer.
Check your temperature. Check your temperature at least two times a day.	Stay in a specific room. If you're sick or suspect yourself to be sick, it's best to stay in a designated room, as far away from others as possible, have a designated toilet and bathroom as well.
Watch for other symptoms. Aside from fever, Covid-19 symptoms include cough, difficulty breathing, and fatigue.	Call your doctor or hospital before visiting. If you need to seek medical attention whether for virus symptoms or other medical care needs, contact your doctor or hospital ahead of time and follow their instructions.
Practice social distancing. If you need to go out.

Project Jansamwad Special

National Webinar on Empowered Self Confidence Through Meditation Mode with Science of Spirituality

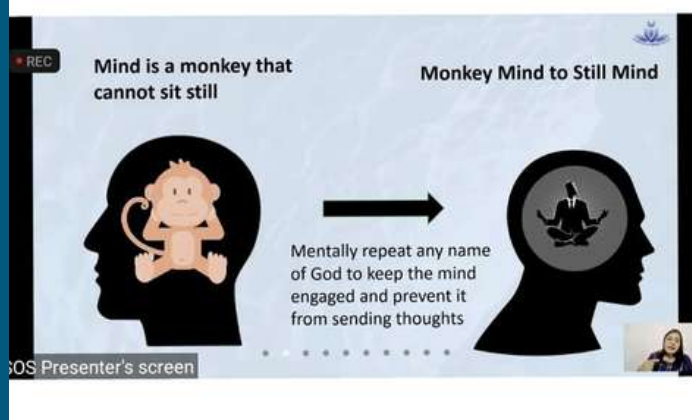

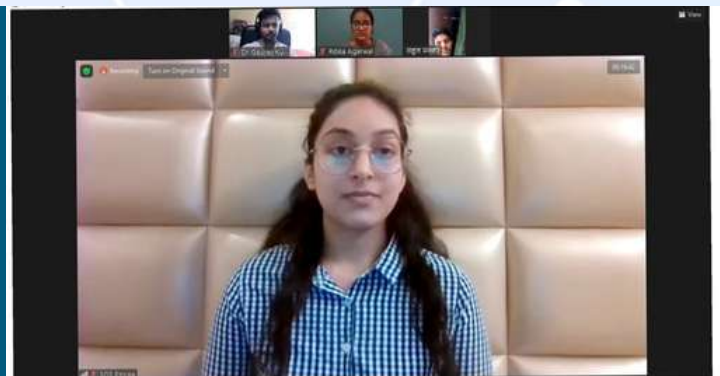

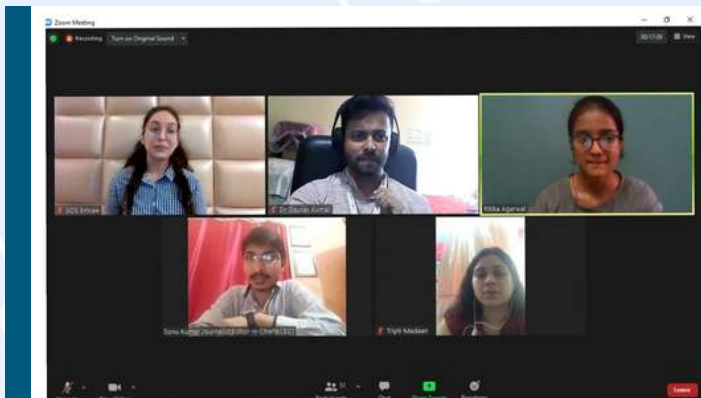

The poster features the COLLCOM logo (Empowering Youth through Community Service) and the Science of Spirituality logo. It announces the 2nd National Webinar on 'EMPOWERED SELF CONFIDENCE THROUGH MEDITATION MODE' on 17th April at 4 PM, under Project Jansamwad. A QR code is provided for registration, along with a link to a Google Form: <https://forms.gle/W2aDPe3rUuMHApd18>. Contact information includes the website www.collcom.org and phone numbers 9868189955/9953494402. Social media handles for /collcommunity are also listed.

WEBINAR

On 17th April

**ORGANIZED BY COLLCOM WITH SOS
(UNDER PROJECT JANSAMWAD)**

The slide is titled 'Mind is a monkey that cannot sit still' and 'Monkey Mind to Still Mind'. It features a diagram showing a silhouette of a head with a monkey inside, representing a restless mind, and an arrow pointing to a silhouette of a head with a meditating person inside, representing a still mind. Text on the slide says: 'Mentally repeat any name of God to keep the mind engaged and prevent it from sending thoughts'.

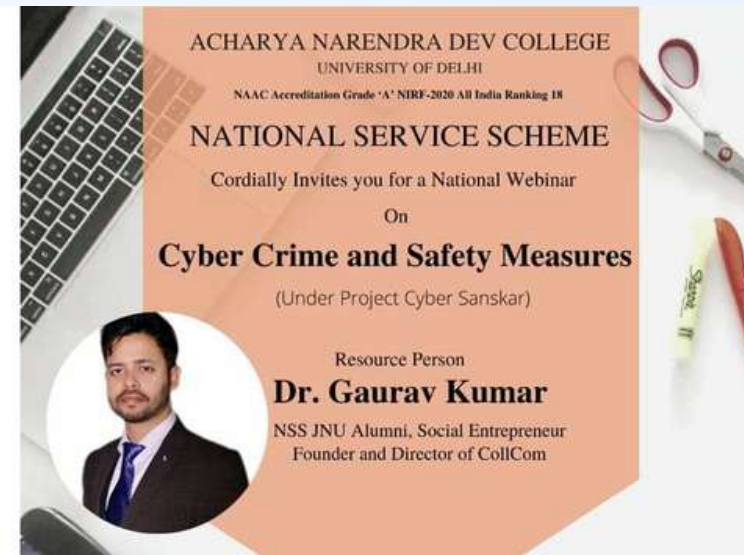

The slide is titled 'Endless Race' and features a quote from a movie: 'Too Much to Do, Too little Time!'. Below the quote is a screenshot of a man in a white shirt and tie, looking stressed. At the bottom, a quote reads: 'Life is a race and if you do not run, you will be like a broken And'.

Impact Created: Session was conducted through Zoom. More than 180 users got benefitted

How to Safely Wear a Medical Mask

Source: World Health Organization

Do's

- ✓ Thoroughly wash hands with soap and water before touching the mask
- ✓ Check the mask for any tears or holes
- ✓ Find the top side where the metal piece or stiff edge is
- ✓ Ensure that the colored side faces outwards
- ✓ Place the metal piece/stiff edge over your nose
- ✓ Cover your mouth, nose, and chin.
- ✓ Adjust the mask without leaving gaps on the side
- ✓ Avoid touching the mask
- ✓ Use the straps to remove the mask

Name - Khushboo Kumari
State - Bihar

collcom **COVID-19**

WASH YOUR HANDS FREQUENTLY
Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.

MAINTAIN PHYSICAL DISTANCING
Maintain at least 2 meters (6 feet) distance between yourself and anyone who is coughing or sneezing.

AVOID TOUCHING EYES, NOSE AND MOUTH
Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth.

IF YOU HAVE A FEVER, COUGH AND DIFFICULTY BREATHING, SEEK MEDICAL CARE EARLY
Stay home if you feel unwell. If you have a fever, cough and difficulty breathing, seek medical attention and call in advance.

NAME- NIKITA DALAL
STATE- HARYANA

STAY HOME STAY SAFE

collcom **#THENEWNORMAL.**

Social Distancing
2 meters or 6 ft away from each other.

Clean and Sanitize
• Cleaning is physical removal of dirt from surfaces.
• Sanitizing consists of treating a cleaned surface with an antimicrobial product in order to reduce or eliminate organisms.

Symptoms
Get tested if you are having or if you are suffering from Fever, cough, muscle pain, sore throat etc.

Wash Your Hands
• Wash your hands with soap and running water when hands are visibly dirty.
• If your hands are not visibly dirty, frequently clean them by using Alcohol-based hand rub or soap and water.

Wear Mask
Make sure the mask covers your nose and mouth.

Together, let's do our part to keep each other healthy.

PROJECT JANSAMWAD

Keynote Speaker

DR ABHA YADAV

(Director of the Forum of Indian
Regulators (FOIR) centre at IICA)

MARKET REGULATIONS

- Regulation attempts to produce outcomes which might not otherwise occur, prevent outcomes that might otherwise occur, or produce or prevent outcomes in different timescales than would otherwise occur.
- Common examples of regulation include controls over market entries, prices, wages, development approvals, pollution effects, employment for certain people in certain industries, standards of production for certain goods, etc.
- Regulation can be justified by the presence of market failures, collective desires, diverse experiences, social subordination, endogenous preferences, irreversibility, professional conduct, or interest group transfers.

BUSINESS ETHICS:
Definition, Examples, and Benefits

Important Components of Business Ethics

• Business ethics refers to implementing appropriate business policies and practices with regard to arguably controversial subjects.
• Some issues that come up in a discussion of ethics include corporate governance, insider trading, bribery, discrimination, social responsibility, and fiduciary responsibilities.
• The law usually sets the tone for business ethics, providing a basic guideline that businesses can choose to follow to gain public approval.

Honesty, Compliance, Law Abiding, Fulfilling Commitments, Relevant Information, Avoid Conflicts

WHAT IS CYBER BULLYING?

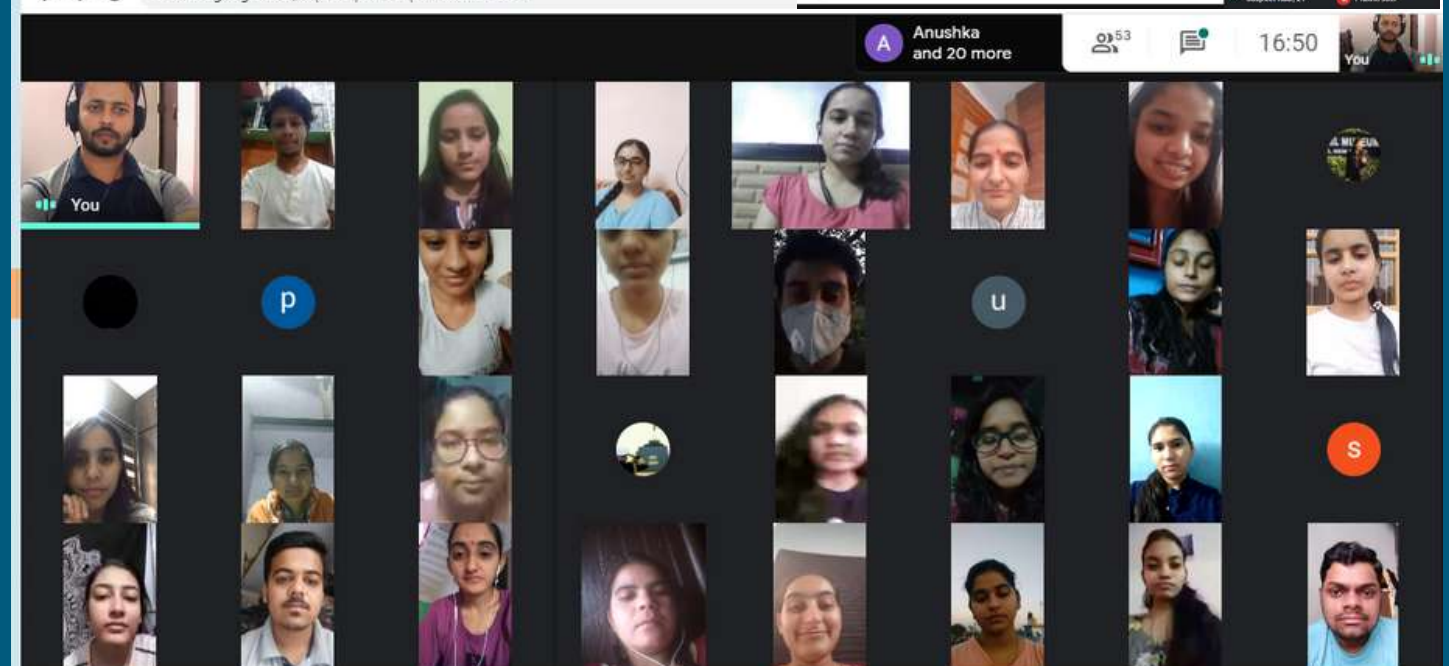

- Bullying that uses electronic means like the internet or mobile phones to aggressively and intentionally harm someone
- Includes name calling, abusive comments, spreading rumors, threats of physical harm, being ignored or excluded, having opinions slammed etc.
- Cyberbullying is most common in late primary school and early high school and up to half of all young people have experienced it

EXAMPLES OF CYBER STALKING

There are several ways a cyber stalker goes after a victim. Here are a few examples:

- False Accusations
- Gathering information
- Playing the victim card
- Social Media
- Catfishing

Impact Created: Session was conducted through Google Meet. More than 80 participants got benefitted

CYBER STALKING

TYPES OF CYBER STALKING

There are majorly three types of cyber stalking-

- Email Stalking: sending hate or threatening emails, or sending viruses and spam
- Internet Stalking: spreading rumors or tracking victims on the web
- Computer Stalking: hacking into a victims computer and taking control of it

HOW CYBER STALKING TAKES PLACE?

- It begins with harmless interactions. Sometimes, especially at the beginning, a few strange or perhaps unpleasant messages may even amuse you.
- Cyberstalking doesn't have to involve direct communication, and some victims may not even realize they are being stalked online.
- Stalkers can monitor victims through various methods and use the information gathered for crimes like identity theft.
- Attackers can collect your personal data, contact your friends and attempt to harass you offline.

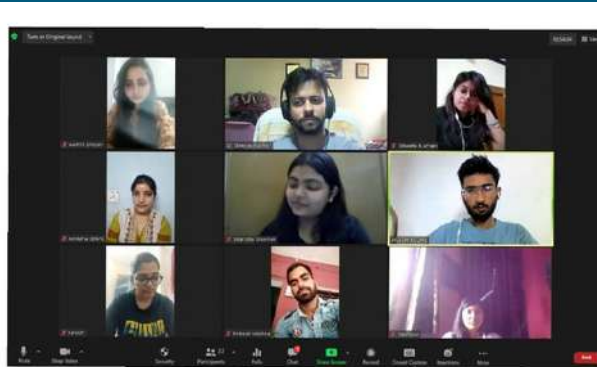

Impact Created: Session was conducted through Google Meet. More than 57 Children got benefitted

INTERNSHIP OPPORTUNITY

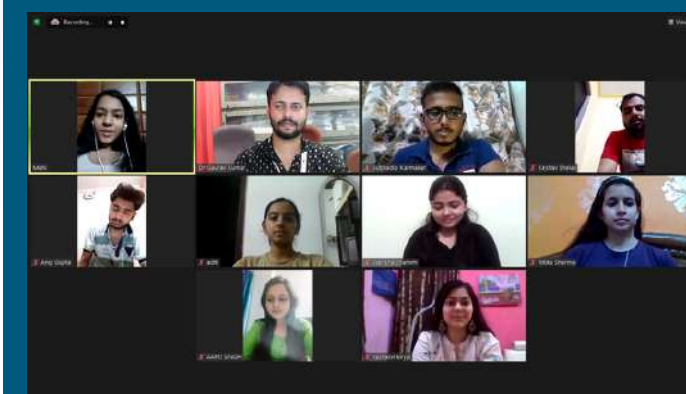

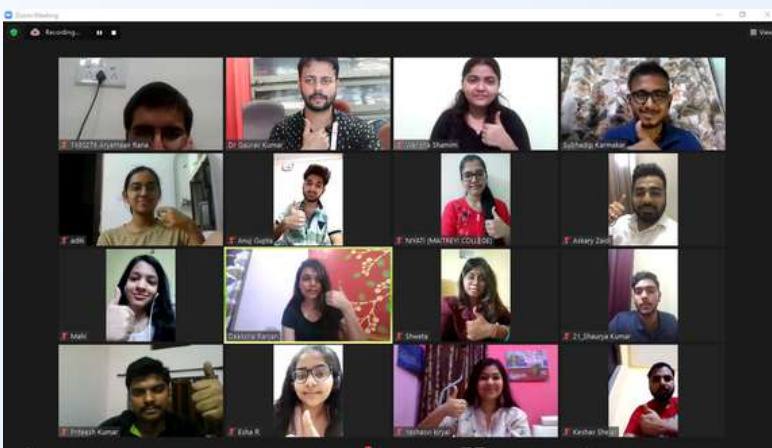

Discussing and guiding the change-makers of our country about our key roles and responsibilities toward creating awareness and innovating the community-led support system.

PHISHING FRAUD - DECODING THE VIDEO CALL SCAM

01 CASE STUDY
Online fraudsters using 'Nude Video Call' trick to extort money from people

02 How they do it?
• Morphing videos/photos by stealing it from social media accounts of victims
• Video calls - & then morphing on a nude photograph

03 Consequences:
1. Physical abuse
2. Sexual Harassment
3. Money extortion
4. Defaming
5. Blackmailing
6. Harms Mental & Physical Health

04 Preventive Measures:
1. Be mindful of every post/pictures/videos you share
2. Do not accept friend request from unknown people
3. Treat virtual space same as real life
4. Capture all digital evidence for proper investigation (if cyber fraud happened)
5. strict privacy options

05 MAKE YOUR CYBER SPACE SAFE & SECURE
Where to Report?
1. Immediately report to national cyber crime reporting portal
2. Capture all evidence for an effective investigation.

AMAZON PRIME OR PRIME PHISHING?

BEWARE!

From such type of lucrative offers

Step 1- When you click on the link, it directs you to a page, which has a logo of Amazon on it to dodge people.

Step 2- After this, you'll be asked to select a box or spin the wheel which has a gift.

Step 3- Then they will say that to claim the offer you need to share this with your 20 friends or 5 groups.

www.colcom.org

SUSPICIOUS URLS - Phishing links, scam websites usually do not rely on secure protocol.

Enable 2 factor authentication on your whatsapp

Where to Report?

- Reporting inside the app - report a contact or block contact.
- Emailing to official Amazon mail
- Online complaint can be also file on <https://cybercrime.gov.in>

STAY SAFE - STAY ALERT

Glimpses of Impact Created Through Social Media

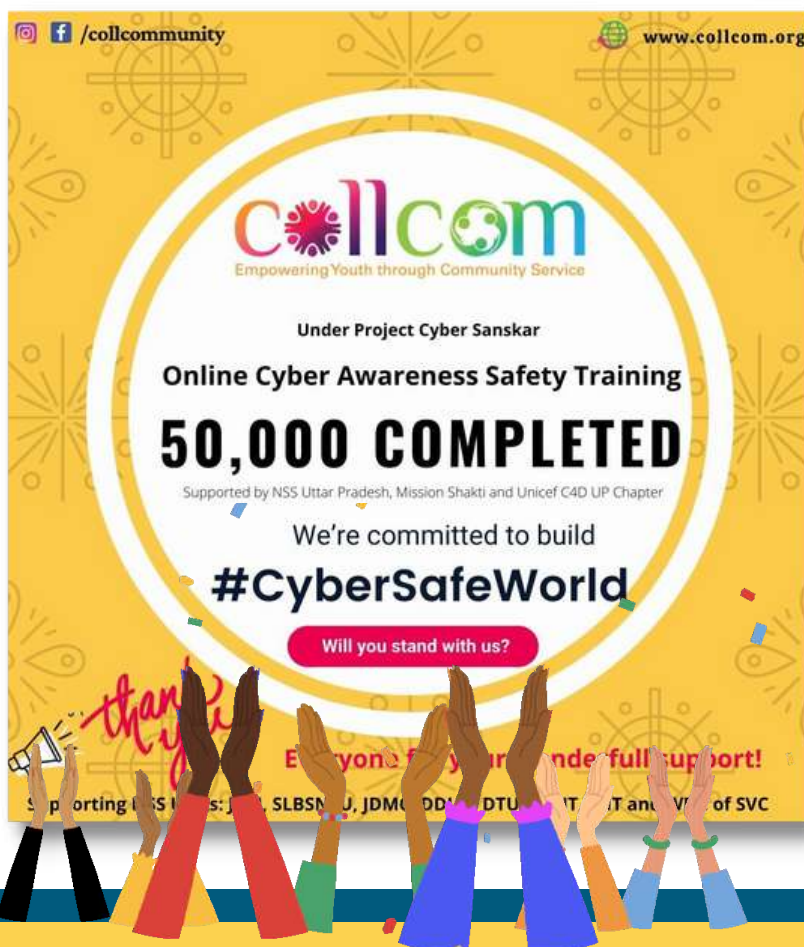

Impact Assessment Created Through Social Media

Impact Created: Total 164 Posters/Videos we have created and shared widely on social media. This is a small analytics insight that shows our efforts reached to approx. 80,000 users of our country.

Online Cyber Awareness Safety Training

(Under Project Cyber Sanskar)

With your help, love and support we have successfully trained more than 50,000 people through Online Cyber Safety Awareness Training and many more on the way.

Impact Created: This is another milestones we have created through self learning guided online cyber training. More than 50,000 users across the country participated in the training and got benefitted. We are thankful to the State NSS Officer of UP Govt and UNICEF UP Chapter for extending kind supports.

DR GAURAV KUMAR

(Founder and Director of CollCom, Asst Prof at Bennett University, Greater Noida)

डॉ गौरव वर्तमान में बेनेट विश्वविद्यालय (टाइम्स ग्रुप), ग्रेटर नॉएडा, उत्तर प्रदेश में कंप्यूटर इंजीनियरिंग विभाग में सहायक प्रोफेसर के पद पर कार्यरत हैं। वह एक सामाजिक उद्यमी और CollCom (कॉलेज कम्युनिटी सोशल वेंचर) के संस्थापक भी हैं। डॉ कुमार हमारे देश के प्रतिष्ठित संस्थानों में से एक जवाहरलाल नेहरू विश्वविद्यालय, नई दिल्ली से कंप्यूटर विज्ञान में एम.टेक और पीएचडी पूरी की है। अपनी शिक्षा के दौरान, वह सामाजिक गतिविधियों में काफी सक्रिय थे जैसे स्लम बस्ती में बच्चों को पढ़ाना, Waste मैनेजमेंट, वृक्षारोपण अभियान, रक्त दान, स्वास्थ्य, योग और फिटनेस के लिए सभी को जागरूक करना जैसे विषय पर काफी काम किया है।

उनके इस अथक प्रयास के लिए उन्हें विश्वविद्यालय से स्वर्ण पदक पुरस्कार और मानव संसाधन विकास मंत्रालय, भारत सरकार से सर्वश्रेष्ठ स्वयंसेवी (बेस्ट वालंटियर अवार्ड) का पुरस्कार से भी सम्मानित किया गया है।

कोविड के समय में डॉ कुमार शांत नहीं बैठे। उन्होंने प्लाज्मा और ऑक्सीजन सपोर्ट के लिए लोगों की मदद करने का काम शुरू किया। उन्होंने देखा हर व्यक्ति बच्चा से बूढ़ा सभी लोग अपने दैनिक कार्य करने के लिए इंटरनेट पर निर्भर होते जा रहे हैं। जल्द ही, उन्हें इंटरनेट की दुनिया में तेजी से बढ़ रहे साइबर अपराध के बारे में जागरूकता की कमी के महत्व का एहसास हुआ।

उन्होंने साइबर अपराध जागरूकता पर एक मेगा अभियान शुरू किया। उन्होंने विभिन्न स्कूलों और कॉलेजों (ऑफलाइन और ऑनलाइन) का दौरा करना शुरू किया और साइबर अपराध जागरूकता पर 35 से अधिक कार्यशालाएँ की। उन्होंने एक छोटा और बहुत ही अभिनव ऑनलाइन सेल्फ गाइड साइबर क्राइम अवेयरनेस ट्रेनिंग मॉड्यूल विकसित किया, जिसमें अभी तक 52,000 से अधिक लोगों ने भाग लिया और लाभान्वित हुए।

उनका लक्ष्य अगले दो वर्षों में हमारे देश के 10 लाख लोगों को इंटरनेट की दुनिया में सशक्त बनाना है।
